In Y5 this term we will be learning...

How is the world connected?

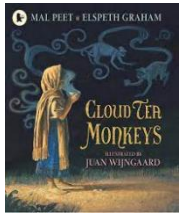

This term our learning will focus on **geography** as we learn that different parts of the world produce different materials due to human and physical features. We will also learn about trade and develop an understanding that trade isn't always fair and equal. Additionally, we will learn about the ways that trade and interdependence has supported people to work together and develop knowledge such as in Baghdad in 900AD. During this term, we will also develop our **art** skills through exploring Islamic patterns and using colour and repetition to continue patterns. We will experiment in creating patterns using tessellation, rotation and repetition. We will experiment with printing techniques and create repeated patterns using larger print tiles.

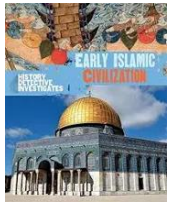

Key Dates and exciting things to look forward to!

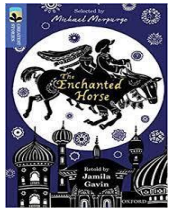

7.11 – Parent's evening
10.11 – Parent's evening
8.12 – Y5 outcome
13.12 – Carol Concert
15.12 – Christmas dinner
16.12 – Y5 Christmas party

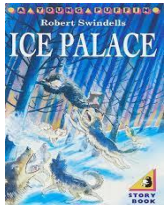

Literacy

Our key texts this term are:

Maths

This term we will be learning about value of digits so we have a good understanding of place value. We will also compare and order numbers up to a million. After, we will develop our knowledge of addition and subtraction. Towards the end of the term we will develop of knowledge of fractions.

Don't forget to practise your times tables this term. Get practising those times tables at home!

Computing

This term, in computing we will be looking at computing systems and networks. We will also learn how to create media –using different tools to produce an outcome.

PE

Our PE days are:
5AL Tuesday and Wednesday
5DP Wednesay and Friday
5LP Tuesday and Wednesday

This term in Y5, children will be going ***swimming*** on Wednesday as part of their PE lesson.

Religious Education

In the run up to Christmas, we will learn about what happens during Harvest Festival. We will also learn about the Story of Muhammed (pbuh) and start to understand the role of Myhammed (pbuh) and Allah in the Islamic faith.

Music

This term in music, we will be learning how to play the bucket drums which will allow us to develop our rhythm and percussion skills.

This term we focus on these Core Values:

Aim High

"We aim high in all we do and don't give up even when it may be hard."

Be Enthusiastic

"We are enthusiastic and relish a challenge."

PSHE

We will be learning to celebrate our achievements and set high aspirations and goals. We will also learn who to recognise forms of bullying.

Spanish

You will learn how to greet someone, how to say your name and numbers up to 12. You will also learn how to talk about your age, where you come from and seasons.

RSE – We will explore the emotional and physical changes occurring during puberty.

Visit the Year 5 page on our website to keep up to date with everything we're up to and for lots more information...
