In Y2 this term we will be learning...

Where will the sea take us?

This term our learning will focus on **geography** as we learn about similarities and differences between different parts of the world that we live in. We will compare the human and physical features of Shiregreen and Bridlington. This will then help us to create our own island with all our favourite features. We will also link this to our science where we will compare rocks from different locations as well as which material would be best for making a boat.

Key Dates and exciting things to look forward to!

Trip to Bridlington: 14th September
Local area visit: TBC

Anti-Bullying week: 14-18th November

Literacy

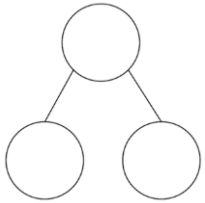

Our key texts this term are:

We will be writing about these key texts in a variety of ways. We will also be writing a recount of our trip to Bridlington. These books also link to our topic where we are looking at going to different places and what might be there.

Maths

This term we will be focussing on place value and, addition and subtraction.
All these skills will help to build their confidence and understanding throughout the rest of the year.

Computing

We will be learning about how we use information technology both in the classroom and the wider world. We will also be using cameras to take pictures and make edits to them digitally.

PE

Our Indoor PE days are:
Monday
Outdoor PE: Tuesday

Religious Education

We will be looking at festivals with a focus on Eid.
We will think about what happens at different festivals and whether they are religious or non-religious.
We will also look at Christmas and the meaning of gifts around this time.

Music

This term in Music, children will be singing.

This term we focus on these Core Values:

Aim High
"We aim high in all we do and don't give up even when it may be hard."
Be Enthusiastic
"We are enthusiastic and relish a challenge."

PSHE

This term we will learn about how we can learn from our experiences and how we can create and follow rules to feel safe in the classroom and school.

RSE

We will be learning about what is different about boys and girls and how we can tell.

Don't forget to look at our page on the website for up-to-date news about what we've done in class and what we're doing enxt.
