

In Y3 this term we will be learning...

What does it mean to survive and thrive?

This term our learning will focus on **History** as we learn about life in the Stone Age, Bronze Age and Iron Age. The children will be plotting the different time periods onto a timeline and learning about the key events in the different eras. During this unit, the children will be comparing the ways in which the different groups of people survived and thrived including researching their shelters, food, clothing, weapons and tools. The children will get the opportunity to look at various artefacts to see what information they can gather about the past. To explore the topic further the children will be taking part in a trip to Creswell Craggs. Evidence has been found at Creswell Craggs to show that hunter gatherers occupied the area during the Stone Age period.

Key Dates and exciting things to look forward to!

Date :
24th – 27th April : Y3 Residential to Whirlow Hall Farm.
17th May: Creswell Craggs visit
26th May: INSET DAY
13th July: Fashion show for parents in the afternoon.

Literacy

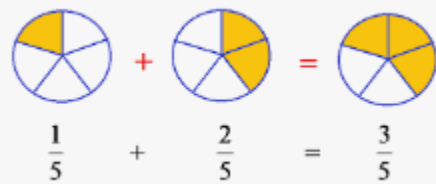

Our key texts this term are:

In English this term the children will be writing an explanation text for how people managed to survive during the Stone Age period. They will then be writing a story set in the Stone Age, Bronze Age or Iron Age.

Maths

This term we will be learning about equivalent fractions and counting in fractions on a number line. Then the children will then get the opportunity to add and subtract fractions and to find fractions of amounts.

Finally, before we break up for summer we will learn about money, interpreting data and 2d and 3d shapes.

Art

This term the children will be learning about using the media of charcoal and practising different techniques. They will then create their own piece of cave art.

Religious Education

Over this next term the children will be learning about the religion of Hinduism and how people celebrate their religion.

PE

Our Indoor PE days are:
Thursday

Outdoor PE:
Y3VH – Monday
Y3CW – Wednesday
Y3SS -- Wednesday

Music

In Music this term the children will be doing a project called 'Sticks and Stones' where they look at how music may have started.

This term we focus on these Core Values:

Be Team Players

"We work collaboratively towards shared goals."

Have Your Say

"We resolve differences by listening to other people's points of view."

DT

This term the children will be designing and creating their own piece of clothing to represent the Stone Age, Iron Age or Bronze Age. The finished products will then be shared with parents at a fashion show at the end of the term.

PSHE This term the class will be looking at knowing that their actions can affect others. To make informed choices about situations.

RSE – This term the class will explore different types of families and discuss who to go to for help and support if you need it.

Spanish

This term in Spanish the children will be looking at Seasons, the weather, food and drinks.

Science

The children will be learning about sources of light and how light travels. After that they will be exploring the force of Friction.
