A Note from Mrs A:

Thank you to everyone who attended parent/carer's evenings last week. It was brilliant to see everyone and to be able to share all the successes from the last half term.

Lots of exciting things this week as we hold Anti Bullying week and support Children in Need

A quick reminder: please remember that the staff car park is only for staff and visitors to the school. Recently we have noticed a few parents parking in there and it did lead to some staff not being able to park and one parent getting locked in.

We have also received a further complaint from a resident at the back of school who has had their driveway blocked. It is very busy in the mornings and hometime but please try to park considerately.

This term's Jigsaw Topic: Celebrating Differences

THIS WEEK'S SPOTLIGHT IS ON….

Anti Bullying Week

This week is anti-bullying week. The children will work together to fully understand what Bullying is and what it means to be respectful. The theme of the National week is Choose Respect. You might want to watch this video with your child: Anti-Bullying Week 2024: Choose Respect - Primary School Video

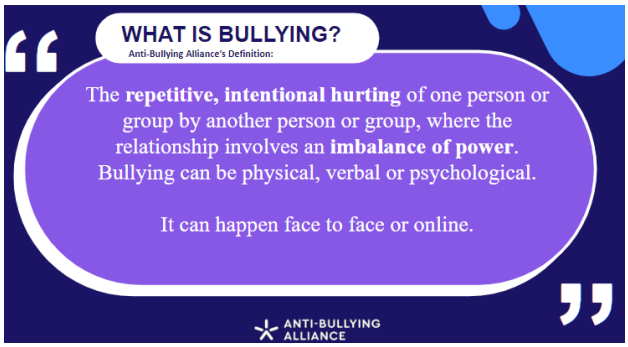

OUR PLEDGE: Here at Beck we respect each other. As a school we are fully committed to tackling any kinds of bullying or discrimination and will always act to protect any child or adult experiencing bullying.Bullying can be hidden so we also take seriously perceived bullying.

It is very important that we all have a definition of bullying.

REPEATED

INTENTIONAL

ONLINE

IMBALANCE OF POWER

FACE TO FACE

CAUSES HARM

There are six main types of bullying:

Physical Bullying **Hurting a person's body or possessions, including hitting, kicking, and tripping**	**Verbal Bullying** Saying or writing mean things, including teasing and name-calling	**Social/Relational Bullying** **Hurting someone's reputation or relationships, such as leaving someone out on purpose.**
Cyber/Online Bullying Using electronic communication to harass or intimidate others.	**Sexual Bullying** **Involving unwanted sexual comments, advances, or behaviour.**	**Prejudicial Bullying** Prejudicial bullying involves online or in-person bullying based on race, gender, ethnicity, religion, or sexual orientation.

Who can children speak to at school if they are worried about themselves or their friends being bullied?

Their class teacher	**Their teaching assistant**	**Mrs Rodgers**

Miss Whittaker	**Miss Cooke**	**Miss Willoughby**	**Miss Helliwell**
ANY ADULT THEY FEEL COMFORTABLE TALKING TOO			

Possible Signs that your child is being bullied:

- belongings getting 'lost' or damaged
- physical injuries, such as unexplained bruises
- being afraid to go to school, being mysteriously 'ill' each morning, or skipping school
- a change in how they are doing at school, including a dip in grades or not handing homework in
- asking for, or stealing, money (to give to whoever's bullying them)

- a change in behaviour, including being nervous, losing confidence, or becoming distressed and withdrawn
- a change in eating or sleeping habits
- bullying others

Please come and speak to one of the staff above if you are worried about bullying
